APPROVAL OF STATE ENGINEER
This is to certify I have examined the foregoing application, and do hereby grant the same, subject to the following
This permit to change the point of diversion of a portion of the waters of an underground source as heretofore granted under Permit 46580 is issued subject to the terms and conditions imposed in said Permit 46580 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion of work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times. This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands. The total combined duty of water under Permits 46580, 53688, 53689, 53690 and 53691 shall not exceed 1600 acre-feet annually. Permits 46580, 53688, 53689, 53690 and 53691 are limited to serve 1000 single family dwelling units and a golf course not to exceed 160 acres in size. Monthly records shall be kept of the amount of water pumped from this well and the records submitted to the State Engineer on a quarterly basis within 15 days after the end of each calendar quarter.
The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to
exceed 1.0 cubic feet per second , but not to exceed 200
acre-feet annually.
Work must be prosecuted with reasonable diligence and be completed on or before
Proof of completion of work shall be filed before September 7, 1993
Application of water to beneficial use shall be made on or before
Proof of the application of water to beneficial use shall be filed on or before September 7, 1994
Map in support of proof of beneficial use shall be filed on or before
Completion of work filed NOV 3 - 1993 IN TESTIMONY WHEREOF, I. R. MICHAEL TURNIPSEED, P.E
State Engineer of Nevada, have hereunto set my hand and the seal of my Proof of beneficial use filed
Office, this 4th day of August
